Summit Equipment Rentals is a locally owned and operated, equipment rentals, equipment sales, distributor & parts and service provider in the Southern California area.

We offer one of the youngest rental fleets (equipment averages less than 24 months).

Summit has currently three facilities serving the Southern California areas. Menifee, Chula Vista and Anaheim. We have a fleet of transportation vehicles and several regionally based service technicians to serve your needs.

Services provided by Summit today range far beyond our rental yard roots. We are Dealers and Factory Product Support agents for many prominent manufactures. These products are offered to you for Rentals and or Sales as well. Our mechanics are Factory Certified. Our field service will travel to you. Our Parts inventory serves both new and customer owned units.
